GEOTECHNICAL ENGINEERING SERVICES

The University of California, Santa Cruz, is selecting firms to provide Geotechnical Engineering services for the following funded project:

Environmental Health & Safety Facility

Interested firms will be required to submit a Statement of Qualifications and a brochure demonstrating related project experience, using standard forms provided by the University. Selection will depend upon qualifications and interest. Every effort will be made to ensure that all persons, regardless of race, religion, sex; color, ethnicity and national origin have equal access to contracts and other business opportunities with the University. Proof of equal employment opportunity policy will be required of each candidate firm.

Submit requests for forms and further information by email (RFQ@ucsc.edu), fax (831-459-5517) or mail to:

UCSC Physical Planning & Construction, Contracts Office
1156 High Street, Barn G
Santa Cruz, CA 95064
Attn: Kay Hill
Re: Construction & Design Phase Geotechnical Consulting
   Environmental Health & Safety Facility

Requests for forms must be received by Friday, November 20, 2015. Completed qualifications packages must be received by 5:00 PM, Monday, November 30, 2015 to be considered. The University reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole determination.

Please visit our website at http://ppc.ucsc.edu/cp/design
For the full text of the advertisement and for information on how to receive the forms necessary for submission.
Do not submit brochures or other information before receiving the University's standard forms.
