Subject: UC Santa Cruz LRDP EIR Additional Scoping Session on April 1, 2020

Dear All,

Thank you for your interest in the public scoping process for the Environmental Impact Report (EIR) being prepared by the University of California Santa Cruz (UC Santa Cruz) to comply with the California Environmental Quality Act (CEQA) for the campus's proposed Long Range Development Plan (LRDP).

ADDITIONAL SCOPING SESSION via LIVE VIDEO FEED

In compliance with current County and State orders related to COVID-19 and in order to provide additional opportunity for public input, the University has added an additional Scoping session and will be hosting the session online via live video feed. The purpose of the scoping session is to obtain input from the public on the impacts that should be analyzed in the scope of the EIR.

EIR Scoping Session:

Date: Wednesday April 1, 2020

Time: 6:00 p.m. - 8:00 p.m.

Location: Online via Video Feed

The April 1 Scoping Session will be conducted via a live video feed. Please go to the following link to participate in the session: <https://video.ibm.com/channel/WfRRwzKR4We>
(Note: This is the same link as the March 12 sessions.)

Agenda:

Online Arrival: 6:00 p.m. - 6:05 p.m.

Presentation: 6:05 p.m. - 6:30 p.m.

Comments: 6:30 p.m. - 8:00 p.m.

During the session, we will provide a brief presentation and will read the public comments we have received. The presentation and link to the live video feed is posted at <https://lrpd.ucsc.edu>
A recording of the live video feed will also be included online after the event.

If you would like your comments to be read during the Scoping Session live feed, please send them to eircomment@ucsc.edu before the end of the Scoping Session at 8:00 p.m. on Wednesday April 1, 2020. Please note "LRDP EIR Scoping Session" in the subject line and UC Santa Cruz staff will read them aloud during the comment period from 6:30 p.m. - 8:00 p.m. Please provide your legal name in your email for the record; however, we will not read your name aloud unless you specifically provide approval for this in your email. Depending on the volume of comments received, and as is typical with all public hearings, we may limit each person's comment to three minutes to make sure all comments are heard.
